OLYMPIAD

The Important Thing

"THE IMPORTANT THING IN THE OLYMPIC GAMES IS NOT TO WIN, BUT TO TAKE PART, THE IMPORTANT THING IN LIFE IS NOT THE TRIUMPH BUT THE STRUGGLE, THE ESSENTIAL THING IS NOT TO HAVE CONQUERED BUT TO HAVE FOUGHT WELL. TO SPREAD THESE PRECEPTS IS TO BUILD UP A STRONGER AND MORE VALIANT AND ABOVE ALL MORE SCRUPULOUS AND MORE GENEROUS HUMANITY."

Baron Pierre DeCourbertin
Founder of modern Olympic Games

The Olympiad is the four-year period of preparation for the athletes to ready themselves for their tests of skill.

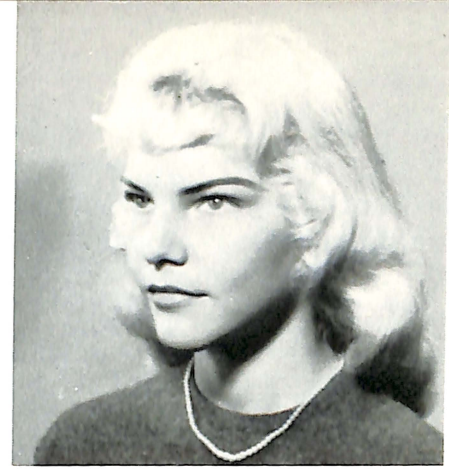

The Seniors' four years of high school are a preparation period for them as they go forward to meet the adult world. For this reason, and because California has been host to the 1960 Winter Olympic Games, we have chosen this for our theme.

A TRUE OLYMPIAN

Just completing his own own four years at Armijo, is Ivan Collier, to whom we dedicate this Olympiad edition of La Mezcla.

In the years to come we will think of him as Major Collier, the founder and developer of Armijo's outstanding Cadet Corps; King Gong Collier, the star of our Sophomore Talent Show; Teacher Collier, who opened our eyes and minds to a new world; and Mr. Collier, a loyal, warm, and understanding friend.

Gary —
Did you ever
finally pass Latin?
It was kicks having
you in the class anyway
Lots of luck —
Love
Claire Border

JOHN C. LUCAS, District Superintendent

BE AN OLYMPIAN

The Olympic Games, as revived by Baron Courbertin in 1896, were to bring athletes from all over the world together each four years on the friendly fields of amateur sport. The Olympic flag of five interlocked rings represents the five continents. All considerations of race, politics, religion, wealth, and social status were to be eliminated. It was felt that friendly competition, according to the rules of good sportsmanship, would be an example and incentive to world peace.

This year, we in California have been privileged to be the hosts for the Winter Olympic Games. But more important than this one affair, each of us must, and does, participate in our own Olympiad of Life. And the rules of life are the same as those of the athletic Olympics, only more demanding. Long years of training and study preceed our entrance into the formal game of Life: and then we find continued training and study necessary.

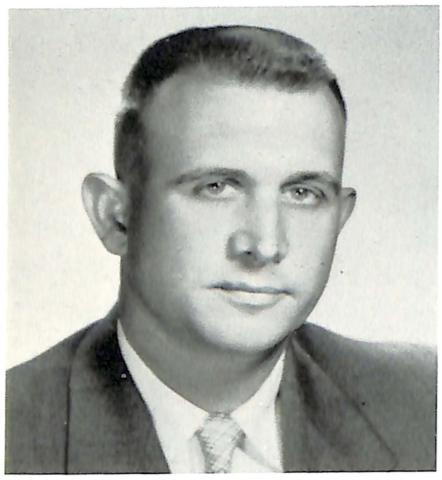

As in the Olympics, the great success can only be gained by following the rules of fair competition and good sportsmanship. We further find that we cannot live alone, that each man is an individual with all the values of human worth and dignity, regardless of race, color, or religion.

And finally, we discover that many, many times, the taking part is more important and satisfying than the winning. We cannot all be leaders; we cannot all be winners all the time; some of us must be trainers and keepers of the track. But each of us can win the laurel wreath of victory and recognition for a job well done.

If we but give our best in the Olympiad of Life, and if we follow the Olympic rules of fair play and respect for our fellow man, each may finally be crowned an Olympian.

CLASS OF 1960

PRESIDENT
Kirby Stevens

September 12, 1956 we began our Olympiad. Overshadowed by upper classmen, we battled bells, distant annexes, and Sophomores. We elected Judy MacLean, President; John Burch, Vice-President; and Carolyn Creager, Secretary.

CITIUS

By 1957 we had become a close-knit class. Our circus talent show was outstanding; the oriental gardens of our Sophomore Hop were breathtaking; our rally yelling was ear splitting, and judge winning. Class officers, Jay Tomasini, Larry Grimm, and Vicki Bird set a pace that was hard to beat. The Seniors struggled against us for their rightful blue ribbons.

ALTIUS

Higher and higher we soared into our Junior year. We needed to recuperate from the summer's madness. (That was the year the Fairfield Plunge opened.) But we were united as ever and ready to go with our new officers: Jim Reef, President; Ed Imboden, Vice-President; and Kay Huff, Secretary. This year we began to reach, to become leaders, to take responsibilities. No more changing of majors; we knew what was ahead. Our class held the majority of the cheerleading positions. We like to think we had a real part in winning the Golden Empire League Sportsmanship Trophy for the second time. We instigated a new tradition at Armijo, "Miss Basketball," during our Junior year.

VICE-PRESIDENT
Claire DeVaughn

FORTIUS

SENIOR YEAR! This is the year we look forward to through all of high school. We were stronger, but we had and will have more responsibilities. From the Senior class came the Student body officers, President, Jay Tomasini; Vice-President, Kent Hart; Secretary, Vicki Bird, for the fall term; and Kent Hart, Marianne Vigre, and Carolyn Creager for the Spring term. Judy Norris was appointed Treasurer.

We chose Vicki Bird as Homecoming Queen, with Phillis Coulter as Senior attendant. Our Senior year was full, though not as full as we had expected because the school district was poor. However, when busses did not go to games, we found a way to go and support our teams. When school dances were few, we found ways to dance. The juke box in the Cafetorium and the Tee Pee Teen Club helped a lot. When the second tax increase election came up we helped to get it passed.

Most of the year we worked hard worrying through PAD tests and papers and other requirements, but we had high moments too. The Senior Talent Show was one of our biggest successes. We had fun, but we all felt a twinge when the chorus sang "Moments to Remember." In April we escaped to the Marin Town and Country Club for Skip Day; in May we were guests of the Junior class at a beautiful Ball. The girls donned high heels for the Senior Tea. A moving Baccalaureate service, the Senior Banquet at the N.C.O. Club, and now the final achievement . . . GRADUATION. This is the day we look forward to through all of high school.

MOMENTS TO REMEMBER

SENIOR TALENT SHOW 1960

Our freshman class was hazed the most,
But "we could take it" was our boast,
We will have these moments to remember.

Though freshmen turn to sophomores,
And the Juniors reappear;
The laughter we were glad to share
Will echo through the years.

Our sophomore year was far the best
We conquered the Seniors at every test,
We will have these moments to remember.

Though sophomores turn to juniors,
And the seniors disappear;
The laughter we were glad to share
Will echo through the years.

The junior gang had lots of fun
But the best year then was yet to come;
We will have these moments to remember.

Though juniors turn to seniors and
The class of 60's here,
The laughter we were glad to share
Will echo through the years.

We say farewell to all of you
And hope you have the best years, too.

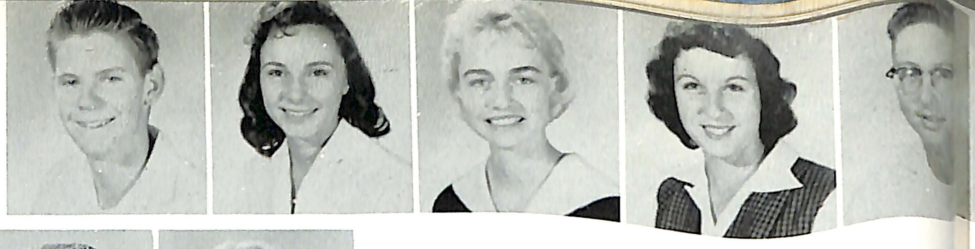

WE WILL HAVE THESE MOMENTS TO REMEMBER!

FACULTY-STUDENT GAME and RALLY

School and community turned out over 1,000 strong to see the annual rousing casaba classic between the faculty and varsity teams on January 15.

Proceeds from this year's game were set aside for an ATA scholarship fund and the foreign student fund. A faculty rally with band selections and skit preceded the game.

Final score: Faculty 42, Varsity 41

ARMIJO'S FIRST FOREIGN STUDENT

Dear Friends at Armijo:

Thank you for a wonderful year.

On June 23, I leave Paradise Valley to go back to Sweden and in my baggage there will be not only clothes and scrapbooks, but also memories, memories, memories.

There will be the memory of arriving in San Francisco last August at four in the morning with my wonderful American family, Mr. and Mrs. Charles Green, Sally, Susan, and Bill to greet me.

I will remember my first week of school when everyone was introduced and I couldn't tell all the Judys, Carolyns, Donnas, Daves, and Bills apart.

I'll never forget my first football game, which, to me, seemed like an invasion from Mars. Pretty soon I learned when to yell. That's the most important thing, isn't it?

One of my best treasures is the remembrance of being elected Vice-President of the Student Body for the Spring term. (To tell the truth, I'll never live it down.) It has helped me very much to see what campus life is like in America.

I will remember all the wonderful trips I took in California—to Los Angeles, to Carmel, and perhaps the most important place, the trip to Squaw Valley. There, my Swedish heart beat double strokes when we came in in second place at the Winter Olympics.

I will remember Fairfield and the Valley and you and you and you.

When you are in Sweden (for of course you will be there sometime) come over to my house in Teckomatorp.

Thank you, again, for a wonderful year.

Marianne Vigre

P-T-S.A.

Foreign student, Marianne Vigre pins a P.T.A. Life membership emblem on Mrs. Green, her American "Mom."

Past Presidents, Mrs. Fred LaLone, Mrs. George Uchishiba; Historian, Mrs. E. E. Smith; President, Mrs. Frederick Rivers; Auditor, Mr. Ray Tewell; Secretary, Mrs. Henry Booher at the Founders' Day program.

The Armijo Parent-Teacher Association was formed October 24, 1954. Mrs. George Uchishiba was president for the first two years, a time of strengthening and developing closer relationships between parents and teachers. During the second year, the P.T.A. sponsored the first All-Night Senior party and a successful School Bond election. During Mrs. Fred LaLone's presidency (1956-57) the organization voted to become a Parent-Teacher-Student Association. Members of P-T-S.A. organized and assisted in giving free polio shots that year.

After-game lunches for visiting teams was begun during Lt. Col. MacArthur's term of office and continue as a project instrumental in bringing the G.E.L. Sportsmanship Trophy to Armijo. Mrs. Maney German took over the president's gavel at mid-term from Lt. Col. Blackstone in 1958-59. The original plan to bring a foreign student to Armijo through the American Field Service began in P-T-S.A. After funds were raised, Mr. and Mrs. Charles Green were selected to host Marianne Vigre of Sweden during her year at Armijo.

This year P-T-S.A. members worked hard to secure passage of a school tax increase, and under the leadership of Mrs. Frederick Rivers, have given thoughtful support to the youth of the school community.

Parents, teachers, and students enjoy refreshments and conversation after the program.

This activity was made possible by the cooperation of the Fairfield Elementary School District and Mrs. Crystal, club advisor.

One of the most active organizations at Armijo, the Future Farmers of America helped beautify one of the new housing areas by tree planting; built a feeding pen on school property opposite the Nike site; designed and constructed a Conservation booth for the Garden Show; entered the Junior Grand National Livestock Show at the Cow Palace last April, showing sheep, fat hogs, and a steer; sent delegates to the State F.F.A. Convention in San Luis Obispo and the F.F.A. Officers' Training School in Sacramento; and participated in the Dixon May Fair.

Another project of the club is to attend the state convention at Asilomar. Carolyn Rogers, Carlanne Norris, Jackie Bird and Nancy Taliaferro were elected by the club to attend the convention, which lasted three days.

The girls also sponsored a tea for the faculty, in order to gain experience as hostesses.

Armijo can be very proud of the Varsity Football squad of 1959-1960. After losing all eight games in the previous year, the team came back to win four and lose four this season.

Armijo started its year with the Sonoma Dragons by dumping them 13 to 0. After this win, Vacaville out-scored the Indians 32 to 25. The Indians saw victory for the next three weeks: Saint Vincent 14 to 0; El Dorado 6 to 0; and Elk Grove 13 to 7. Then dark days (but with praise-worthy playing by the team) arrived. The Indians lost their last three games: San Juan 20, Armijo 7; La Sierra 26, Armijo 0 (Homecoming game); and James Marshall 25, Armijo 20.

JUNIOR VARSITY FOOTBALL

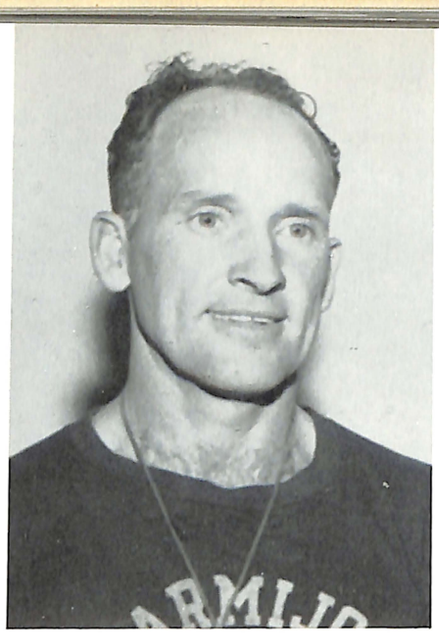

This year's Junior Varsity Team put forth a lot of effort for their victories. The Babes had a three-win, five-loss season under the direction of coach Tom Bushey and volunteer assistant Paul Miller. Outstanding for the team was Freshman quarterback, Bob Fortney and Sophomore lineman, Albert Shroeder. These two players will be a big help in the seasons to come.
